

## Storage rack for cable ties

WKK offers a convenient and solid storage rack (made of powder coated steel), for short and long cable ties, which has two fixing holes.

The storage rack offers a practical option for arranging cable ties. With five different compartments, cable ties with different lengths can be stored (ordered). In every compartment fit  $\pm 100$  cable ties.

The storage rack is filled with standard cable ties in the color black. Of course it is possible to fill the storage rack with the cable ties you want or to order the storage rack separately.

### Specifications storage rack
