Declaration of China RoHS Compliance

Dear Sir or Madam,

We hereby confirm that the products distributed by WKK GmbH, including cable ties, heat shrink tubing, clamps, fastening elements, and additional installation accessories, do not fall under the scope of the 'Administrative Measure on the Control of Pollution Caused by Electronic Information Products' (China RoHS) of the People's Republic of China.

Our products do not contain electronic functions and are therefore not classified as electrical or electronic products as defined under the China RoHS regulations. As such, they are not subject to requirements concerning labeling, material disclosure, or threshold limits according to the current applicable standards (e.g., SJ/T 11364-2014 and GB/T 26572-2011).

We continuously monitor relevant legal developments. Should the classification of our product groups change in relation to China RoHS, we will inform you without delay.

Should you have any questions or require additional information, please feel free to contact us at any time.

Kind regards
WKK GmbH

Bram Boers
